

Subject progression: PSHE

Year 1	
Subject area	Examples of skills
Developing confidence and responsibility and making the most of their abilities	Children can identify and name some feelings (for example through interpreting facial expressions) and express some of their positive qualities.
Developing a healthy, safer lifestyle	Children can explain ways of keeping clean (for example by washing their hands and keeping their hair tidy) and they can name the main parts of the body. They can explain that people grow from young to old
Developing good relationships and respecting the differences between people	Children can explain different ways that family and friends should care for one another (for example telling a friend that they like them, showing concern for a family member who is unwell).

Year 2	
Subject area	Examples of skills
Developing confidence and responsibility and making the most of their abilities	Children can demonstrate that they can manage some feelings in a positive and effective way. They begin to share their views and opinions (for example talking about fairness). They can set themselves simple goals (for example sharing toys).
Developing a healthy, safer lifestyle	Children can make simple choices about some aspects of their health and well-being (for example by choosing between different foods and between physical activities, knowing that they need sun protection) and know what keeps them healthy (for example exercise and rest).
Developing good relationships and respecting the differences between people	Children can recognise that bullying is wrong and can list some ways to get help in dealing with it. They can recognise the effect of their behaviour on other people, and can cooperate with others (for example by playing and working with friends or classmates). They can identify and respect differences and similarities between people.

Year 3

Subject area	Examples of skills
Developing confidence and responsibility and making the most of their abilities	Children can demonstrate that they recognise their own worth and that of others (for example by making positive comments about themselves and classmates). They can express their views confidently and listen to and show respect for the views of others.
Developing a healthy, safer lifestyle	Children can talk about the harmful aspects of some household products and medicines, and describe ways of keeping safe in familiar situations (for example knowing how and where to cross the road safely).
Developing good relationships and respecting the differences between people	Children can explain how their actions have consequences for themselves and others. They can describe the nature and consequences of bullying, and can express ways of responding to it. They can identify different types of relationship (for example marriage or friendships), and can show ways to maintain good relationships (for example listening, supporting, caring).

Year 4

Subject area	Examples of skills
Developing confidence and responsibility and making the most of their abilities	Children can demonstrate that they recognise their own worth and that of others (for example by making positive comments about themselves and classmates). They can express their views confidently and listen to and show respect for the views of others.
Developing a healthy, safer lifestyle	Children can talk about the harmful aspects of some household products and medicines, and describe ways of keeping safe in familiar situations (for example knowing how and where to cross the road safely).
Developing good relationships and respecting the differences between people	Children can explain how their actions have consequences for themselves and others. They can describe the nature and consequences of bullying, and can express ways of responding to it. They can identify different types of relationship (for example marriage or friendships), and can show ways to maintain good relationships (for example listening, supporting, caring).

Year 5	
Subject area	Examples of skills
Developing confidence and responsibility and making the most of their abilities	They can identify positive ways to face new challenges (for example the transition to secondary school). They can discuss some of the bodily and emotional changes at puberty, and can demonstrate some ways of dealing with these in a positive way. They can talk about a range of jobs, and explain how they will develop skills to work in the future. They can demonstrate how to look after and save money.
Developing a healthy, safer lifestyle	Children can make choices about how to develop healthy lifestyles (for example by knowing the importance of a healthy diet and regular exercise). They can identify some factors that affect emotional health and well-being (for example exercise or dealing with emotions). They can make judgements and decisions and can list some ways of resisting negative peer pressure around issues affecting their health and well-being. They can list the commonly available substances and drugs that are legal and illegal, and can describe some of the effects and risks of these. They can identify and explain how to manage the risks in different familiar situations (for example discussing issues connected to personal safety)
Developing good relationships and respecting the differences between people	Children can respond to, or challenge, negative behaviours such as stereotyping and aggression. They can describe some of the different beliefs and values in society, and can demonstrate respect and tolerance towards people different from themselves.

Year 6	
Subject area	Examples of skills
Developing confidence and responsibility and making the most of their abilities	They can identify positive ways to face new challenges (for example the transition to secondary school). They can discuss some of the bodily and emotional changes at puberty, and can demonstrate some ways of dealing with these in a positive way.
