Schools should use their PE and Sport Premium funding to secure improvements against 5 key indicators *	
1.	The engagement of all pupils in regular physical activity. **
2.	The profile of PE and Sport is raised across the school as a tool for whole school improvement.
3.	Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4.	Broader experience of a range of sports and activities offered to all pupils.
5.	Increased participation in competitive sports.

**The key indicators outlined above have been cross- referenced against the objectives within the plan. They are clearly denoted in brackets within the 'objective' column (blue text). Many objectives will secure improvements in respect of more than one key indicator. Where this applies, reference to ALL applicable key indicators have been incorporated.*

***The CMO guidelines recommend that all children and people aged 5 – 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.*
